NHS Care Data Opt-out Form

The NHS has commissioned the Health & Social Care Information Centre (HSCIC) to extract personal confidential patient data to enable them to plan and improve services and compare care in different areas. GP Surgeries have no choice but to allow the HSCIC to extract this information.

This health information along with details such as your date of birth, postcode and NHS number but not your name, are sent to a secure system where it can be linked with other health information.

You have a choice. If you are happy for your information to be used in this way you do not have to do anything.

If you do not wish information about you to be used in this way, please complete the opt-out form below and return the completed form to reception. Please note, your access to healthcare and the care that you receive will not be affected by either decision.

To help you make your decision, please read the NHS leaflet – ‘**How information about you helps us to provide better care**’ which is available from reception. Alternatively, you can visit www.nhs.uk/caredata

Please tick one box, only if you wish to opt-out:

- I do not wish any of my personal confidential data to be to be extracted for use by the HSCIC.**
- I am happy for the HSCIC to use my data for anonymised reports but do not authorise the HSCIC to share my information with other agencies or companies.**
